wmic path softwarelicensingservice get OA3xOriginalProductKey

The screenshot shows a Windows command prompt window titled "Amministratore: Prompt dei comandi". The window content includes the copyright notice "(c) Microsoft Corporation. Tutti i diritti sono riservati." and the current directory "C:\Windows\system32>". A red arrow points from the command in the green box above to the command prompt prompt.

```
Amministratore: Prompt dei comandi
(c) Microsoft Corporation. Tutti i diritti sono riservati.
C:\Windows\system32>
```
